The objective of the TIME Global Health Summit is to focus America’s attention on global health issues. With major support by the Bill & Melinda Gates Foundation, the Summit will convene leaders in medicine, government, business, public policy and the arts to develop actions and solutions to health crises. The TIME Summit will focus on 10 major global health challenges and will recognize true-life heroes of global health. Highlights include discussions with Bill Clinton, Bill Gates, Ted Turner, Richard Branson and Paul Wolfowitz. For an agenda, please go to [time.com/globalhealth](http://time.com/globalhealth).
